About Mosaic

Mosaic, an initiative of The Prince's Trust, was founded by HRH The Prince of Wales in 2007 to create opportunities for young people of all backgrounds growing up in our most deprived communities. The Mosaic Enterprise Challenge is a fully-funded annual business competition that helps thousands of young people (aged 11-16 years old) increase their aspirations, confidence, self-belief and self-motivation by having relevant and effective role-models to look up to and engage with.

Why should you work with Mosaic's Enterprise Challenge Competition?

- **DoE Statutory Guidance.** Mosaic's mentoring programmes have been positively recognised and cited as exemplar practice in the 2016/17 Department of Education's statutory guidance on careers advice.
- **Supporting YOUR Teaching.** Our programme is designed to provide an engaging and exciting mentoring programme that will inspire young people (11 – 16 year olds) to get involved and help raise their education and job aspirations whilst boosting their confidence, self-belief and employability. The Enterprise Challenge competition is particularly suited to those students studying business and enterprise.
- **Diversity of Mentors.** Each year our team of fully trained volunteer mentors go into Secondary Schools like yours and act as role-models. The mentors come from a wide range of cultural and business backgrounds so that the students can aspire to careers in a range of different sectors whilst relating to a role-model with a similar background to theirs.

- **Boosting Social Mobility.** Mosaic places fully-trained mentors with professional backgrounds into our schools, with 80% of our beneficiaries from 20% of the most deprived wards in the UK. We help expand their connections and broaden their life and career options.
- **You are Mosaic.** Without our schools partners, Mosaic would not have reached the 8,246 young people it did last year with the help of 1,466 volunteer mentors. We rely on your commitment and passion for our cause.

“THIS PARTNERSHIP WITH MOSAIC HAS NOT ONLY WIDENED STUDENTS' HORIZONS, BUT HAS RAISED THEIR ASPIRATIONS, AMBITIONS AND ATTAINMENT – WHICH WAS REFLECTED IN OUR OUTSTANDING OFSTED GRADING. THE EXCEPTIONAL CONTRIBUTIONS FROM MOSAIC BUSINESS MENTORS WHO VOLUNTEER THEIR TIME AND EXPERIENCE MAKE A REAL DIFFERENCE AND CONTINUES TO CHANGE LIVES.”
