

Mentoring by Royal Appointment

Primary School Programme

Mosaic, founded by HRH The Prince of Wales in 2007, provides fully-funded mentoring programmes that create opportunities for young people growing up in our most deprived communities. Mosaic works in partnership with a wide and diverse range of corporate partners and individuals to help recruit and train volunteer mentors to help deliver its work.

Mosaic's Primary School Mentoring Group Programme helps thousands of young boys and girls (aged 9-11 years old) and their parents increase their aspirations, confidence, self-belief and motivation by having relevant and effective role-models to look up to and engage with.

By partnering with Mosaic, not only will your staff benefit through becoming mentors in terms of their own development, we can also help you deliver your own CSR programmes through our work in deprived communities by creating local links and partnerships within these communities.

Why is mentoring so important?

- **Bridging the aspirations-attainment gap.** Research shows an extensive aspirations-attainment gap exists with our young people. Mosaic mentoring helps to bridge that gap.
- **Creating a new generation of role models.** Mosaic mentoring cultivates a new generation of successful adults that become beacons of positivity and role models for fellow pupils, siblings and the wider community.

→ **Boosting social mobility.** Mosaic places mentors with professional backgrounds into our schools, with 80% of our beneficiaries from 20% of the most deprived wards in the UK. We help expand their connections and broaden their life and career options.

Why should you partner with Mosaic?

→ **Staff Development.** Mosaic mentoring programmes are able to assist in developing the skills and abilities of your employees by presenting them a range of challenges and experiences whilst being fully supported in achieving them. The majority of mentors participating in our programmes report that they have developed their professional skills as a result.

→ **Full Training.** Mentors are given full-training so they are able to go into our primary schools and offer support with an approximate commitment of 13.5 hours. This comprises 1x10 hour sessions and might vary depending on the school mentors are allocated to.

→ **Community engagement.** Mosaic's programmes provide a fantastic opportunity to support your local communities – and be seen doing so.

→ **You are Mosaic.** Without our corporate supporters, Mosaic would not have reached the 8,246 young people it did last year with the help of 1,466 volunteer mentors. We rely on your commitment and passion for our cause.

“ I AM ALWAYS AMAZED BY HOW SMART CHILDREN ARE WHEN YOU TAKE THE TIME TO LISTEN. I RELEARN ALL THE LIFE SKILLS IN THE PROGRAMME EVERY TIME WE TEACH THEM. WITHOUT A DOUBT THESE CONSTANT REMINDERS HAVE HELPED ME IN MY OWN DEVELOPMENT. ”
