

Primary School Mentoring Programme

Get Involved

“ AS EVIDENCE SHOWS THAT THE BEST PEOPLE TO INSPIRE AND GUIDE YOUNG PEOPLE ARE THOSE IN GOOD CAREERS THEMSELVES, THIS GUIDANCE STRENGTHENS THE REQUIREMENT FOR SCHOOLS TO BUILD LINKS WITH EMPLOYERS TO INSPIRE AND MENTOR PUPILS, HELPING THEM TO DEVELOP HIGH ASPIRATIONS AND FULFIL THEIR POTENTIAL. ”

About Mosaic

Mosaic, an initiative of The Prince's Trust, was founded by HRH The Prince of Wales in 2007 to create opportunities for young people of all backgrounds growing up in our most deprived communities. Mosaic's Primary School Mentoring Programme helps hundreds of young boys and girls (aged 9-11 years old) and their parents increase their aspirations, confidence, self-belief and motivation by having relevant and effective role-models to look up to and engage with.

Why should you work with Mosaic's Primary School Group Mentoring Programme?

→ DoE Statutory Guidance.

Mosaic's mentoring programmes have been positively recognised for the second consecutive year and cited as exemplar practice in the 2016/17 Department of Education's statutory guidance on careers advice.

→ **Supporting YOUR Teaching.** Our programme is designed to provide an engaging and exciting mentoring programme that will inspire young boys and girls (Y5 & Y6) and their parents to get involved and help raise their education and

job aspirations whilst boosting their confidence, self-belief and employability.

→ **Diversity of Mentors.** Each year our team of fully trained professional mentors go into Primary Schools like yours and act as role-models. The mentors come from a wide range of cultural and business backgrounds so that the students/parents can aspire to careers in a range of different sectors whilst relating to a role-model with a similar background to theirs.

→ **Engaging Parents.** Mothers and fathers participate in lessons that raise their awareness of the importance of education and how to support their children through school and beyond by being taught subjects such as citizenship and understanding the British education system.

→ **You are Mosaic.** Without our schools partners, Mosaic would not have reached the 8,246 young people it did last year with the help of 1,466 volunteer mentors. We rely on your commitment and passion for our cause.

“ THE MOSAIC PROJECT HAS HAD A FANTASTIC IMPACT ON THE CONFIDENCE OF THE GIRLS THAT TOOK PART. THIS HAS BEEN EVIDENCED BY THEIR INTERACTION BACK IN THE CLASSROOM AND AMONGST THEIR FRIENDSHIP GROUPS. THE GRADUATION CEREMONY WAS A REAL HIGHLIGHT OF THE PROJECT FOR THE PARENTS WITH TWO MUMS EXPRESSING AN INTEREST IN FURTHERING THEIR OWN EDUCATION AS A RESULT OF BEING INVOLVED IN THE MOSAIC PROJECT. ”
